Country Overview

Colombia is the nation of magical realism.

It is the 25th largest country in the world , enjoying plenty of different climates and landscapes. It has the second largest population of Spanish speakers in the world (only after Mexico). It is the largest producer and exporter of roses in the world. It is one of the largest producers of coffee in the world. It is one of the richest countries in biological and cultural diversity. And it has many places declared as World Heritage by UNESCO, among which are the monuments of Cartagena de Indias and the Barranquilla Carnival.

Cartagena, Colombia (5 nights)

Cartagena, Colombia is known as the “Jewel of the Indies” and it’s easy to see why. This city is absolutely magical, with beautiful architecture, interesting history and culture, delicious food, and nearby Caribbean beaches.

Cartagena has a unique blend of European, African, and indigenous cultures. One of the most unique cultures in Cartagena is that of the Palenque people. The Palenque formed the first freed slave settlement in the Americas about an hour outside of Cartagena. Now, Palenque women come into the city each day wearing their traditional, brightly-colored outfit to sell fruit.

Hello Sister!

Thank you for your interest in traveling with Sisters Traveling Solo LLC in 2022! Every time you book with us, you support a black woman-owned business.

You have been redirected to this document because we are currently finishing up the design of our brand new website. The details for this trip can be found between this document and our trip registration form.

The travel world has changed, and we must change with it. After four years in business, it is time for an upgrade in how we do things. When newer brands can easily copy what we are doing, it's time to move to the next level.

What's coming? We are building a brand new website to align with the successful travel companies in this industry. Our new website will be easier for you to navigate, allow for a smoother and complete booking process (no more being redirected), while ensuring that your information remains secure.

We are also updating our policies and terms to better fit our company's changes and the new normal in travel. These policies and terms will also be presented and shared with you differently; no more super long submission forms and checkboxes; we will leave that for the "ultimate luxury" brands.

But for now, nothing has changed, so if you like to book this trip, please click the link below. We can't wait to meet you!
