## Country Overview

Home of the largest building in the world!

The United Arab Emirates is a modern and dynamic country immersed in culture and history, a fascinating place where traditionalism meets modernism and technology is integrated with traditional values. Famous for its relentless sunshine, its golden dunes that roll on for miles and some of the most ambitious, opulent building projects of modern times.

The UAE is also one of the richest, if not the richest, country in the entire Middle East, and this makes it a unique place to enjoy a luxury vacation.

## Dubai, UAE (6 nights)

Dubai is one of the most popular places to visit in the world for its regal environment and luxurious settings. Home to record-holding structures like the Burj Khalifa, Burj Al Arab, and Miracle Garden. The beauty of Dubai knows no bounds.

With its strength rooting from ambitious leadership and innovative minds, Dubai has countlessly proved to the world that there is truth in Sheikh Mohammed's statement: "In Dubai, we don't wait for things to happen. We make them happen."

### Travel with Confidence

Our company wants to take a moment to thank you for your support. Because of your support, a small black owned-business continues.

We know that many of you are still hesitant to book any trips, so we wanted to share some of the things we are putting into place for most of our 2021 and 2022 trips.

**SMALLER TRIP SIZES** - Our group trips have always been designed to be small because it's about the connection for us. We have decided to reduce our maximum group size to 18 for all of our 2021 and 2022 tours.

**MORE LEGROOM** - We will look into securing larger transports vehicles, giving trip attendees extra room on private transfers where applicable.

**PRE-TRIP ESSENTIALS** - During the summer of 2020, we secured hundreds of Sisters Traveling Solo custom masks. We will provide custom masks and trip swag bags to each trip attendee; before or upon arrival into your selected trip destination.

Hello Sister!

Thank you for your interest in traveling with Sisters Traveling Solo LLC in 2022! Every time you book with us, you support a black woman-owned business.

You have been redirected to this document because we are currently finishing up the design of our brand new website. The details for this trip can be found between this document and our trip registration form.

The travel world has changed, and we must change with it. After four years in business, it is time for an upgrade in how we do things. When newer brands can easily copy what we are doing, it's time to move to the next level.

What's coming? We are building a brand new website to align with the successful travel companies in this industry. Our new website will be easier for you to navigate, allow for a smoother and complete booking process (no more being redirected), while ensuring that your information remains secure.

We are also updating our policies and terms to better fit our company's changes and the new normal in travel. These policies and terms will also be presented and shared with you differently; no more super long submission forms and checkboxes; we will leave that for the "ultimate luxury" brands.

But for now, nothing has changed, so if you like to book this trip, please click the link below. We can't wait to meet you!
